

Dodue User Manual

Step 1. Sign up	<p>Enter a username and password and click “Sign up”. (or press “Enter”)</p>  <p>The image shows a 'Sign Up' form with two input fields: 'Username' and 'Password'. Below the fields is a purple 'Sign up' button. The form is centered on a light gray background.</p>
Step 2. Log in	<p>Upon successful sign-up, enter your details and click “Log in”.</p>  <p>The image shows a 'Log in' form with two input fields: 'Username' and 'Password'. Below the fields is a purple 'Log in' button. Above the form is a green success message: 'Sign up success!'. The form is centered on a light gray background.</p>
Step 3. Create card	<p>Upon successful log in, click the “+” button at the top-right corner to create a card (a new to-do list).</p>  <p>The image shows the Dodue app interface. At the top, there is a dark blue header with the word 'dodue' on the left and a white '+' button on the right. The '+' button is circled in red. Below the header, the main area is light gray and contains the text: '🎉 Nothing to do! Click + to add a card.'</p>

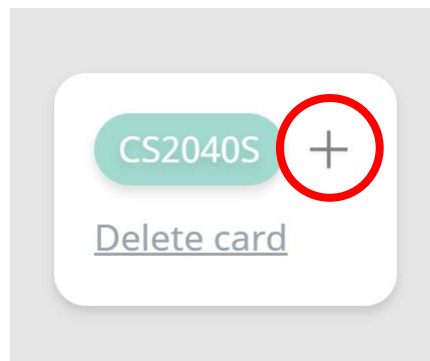

Step 4. Enter new card details

Enter a name for the new card (to-do list) and select a color by clicking on it. Then click “Save”.

A dialog box titled "New Card" with a close button (X) in the top right corner. It contains a "Name" label above a text input field with a vertical cursor. Below the input field is a "Color" label followed by seven colored circles: orange, purple, teal, red, blue, green, and pink. At the bottom right is a purple "Save" button.

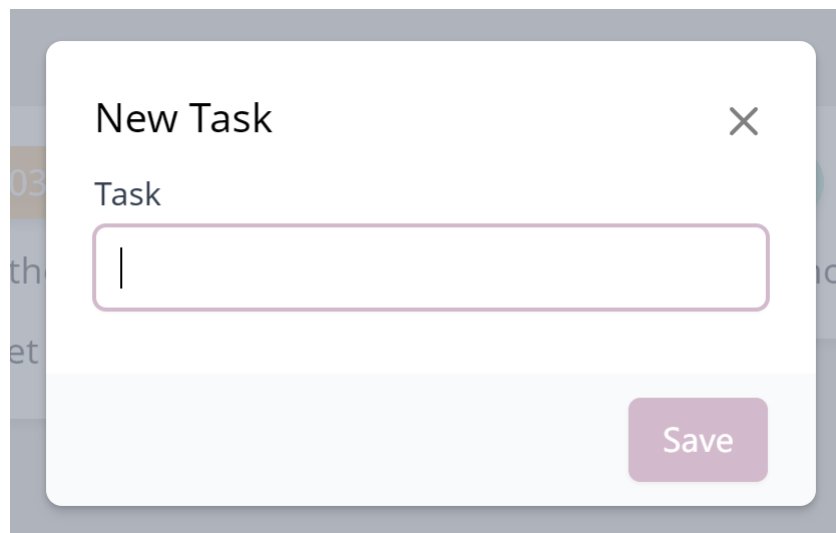

Step 5. Add a task.

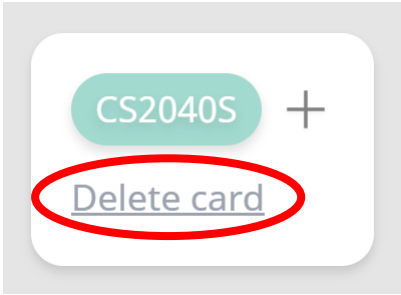

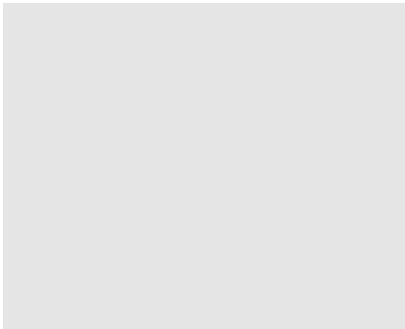

A card is now created. Click “+” on the card to add a new task.

Step 6. Create task.

Enter a name for the task and click “Save”.

A dialog box titled "New Task" with a close button (X) in the top right corner. It contains a "Task" label above a text input field with a vertical cursor. At the bottom right is a purple "Save" button.

<p>Step 7. Checking a task</p>	<p>A task is now created. Click the checkbox or the task to check or uncheck it. You can change your mind any time until you reload the page.</p> 
<p>Step 8. Reload the page to remove finished tasks</p>	
<p>Step 9. If the card is empty, click “Delete card” to delete it</p>	<p>It's gone!</p> 

Enjoy!
